GREETINGS FROM FR. STEVE

Trinity Family:

Where I live, kids are starting back to school after summer break. Students walk by our house on their way to the elementary school down the street; big yellow school buses pass by every morning and afternoon. Even though it's not a new calendar year, it feels like a hopeful time of new beginnings. New teachers, new classrooms, new friends, and hopefully new lessons. I know most of us aren't in school anymore, but I like the idea of this time being the opportunity to check-in with ourselves and consider what's new for us right now. What might be making us hopeful? What are we hoping to learn in the next few months?

I'm hopeful for the ministries of Trinity. I'm excited about the relaunching of several ministries in our community and maybe even some new ones. Here are just a few:

Healing Eucharist - the return of the Healing Eucharist, which will begin on Thursday, September 7 at 10:00 a.m. in the sanctuary and continuing every week. This is a wonderful service to seek God's blessings and to pray for God's healing in our lives and in the lives of those we love. All are welcome.

Friday Bible Study – Starting September 8 at 10:00 a.m. and continuing every week, we will begin the study of the Word of God. Please join us as we meet to unpack God's messages found in our holy scriptures.

Choir - Not a new ministry, but one I'm still very grateful for, the Choir under the direction of our very own David Ripley will begin September 10th. Welcome back to the choir.

Homecoming – This is a Sunday set aside to welcome back everyone to the church after this year's summer vacations and for those who haven't been to church for a while. It is a single service starting at 9:00 a.m. and will be held on September 24, 2023. More information is coming soon, but please save the date.

And finally, please know that if there is anything that Trinity has offered in the past and you would like to see brought back, my door is always open. And I invite you to come and see me in person or send me an email.

Blessings to you all as we start the church program year.
Fr. Steve

OUR LAST MESSY CHURCH IS SATURDAY, SEPTEMBER 9th

We are looking forward to seeing everyone at the September Messy Church. Set up begins at 5:00 pm while the Brotherhood of the Barbeque starts heating up the grills. Appetizers and drinks are available at 5:30 and our service begins at 6:00 pm.

Following the service is food, fellowship and fun! Trinity provides hamburgers, hot dogs, buns and condiments. Please bring a side dish, dessert, or appetizer to share, as well as something to add to the drink table - waters, soda, wine or beer. Don't forget your beach chair or blanket!

AND thanks to Everyone for your help with set up, clean up, and generally helping out!

Climate Change Summit set for September 16th at St. Paul's Commons in Echo Park.

With July 2023 now on record as the hottest month worldwide, the Bishop's Commission on Climate Change has set a summit meeting. The Climate Change Summit will underscore U.N. Secretary General Antonio Guterres's recent statement that "the era of global warming has ended" and "the era of global boiling has arrived." The summit program will bring news of Commission partnerships, including the "Climate Connections" disaster resilience plan, now a pilot project, engaging congregations in strategic, collaborative response to crises including earthquakes and heatwaves. Please go to the link below for more information or to register to attend.

Flu season is almost upon us, and it is time for everyone to receive your flu vaccination! Please join your Trinity Faith Community Nurses on Sunday, October 8, 2023 from 9:00am to 12:00pm to receive your FREE flu vaccination. Through the generosity of the Hoag Faith Community Nurse Program we are able to hold this very important clinic for our parishioners, family members, and friends. We will once again have the high dose vaccine for those sixty-five and older! Quantities are limited so vaccinations will be given to adults and children age 9 and older on a first come basis while supplies last. If you have any questions please contact Ann Walker at 714-496-0571.

CPR TRAINING OCTOBER 7th

Attention Trinity Staff, Ushers, and LEMS
(and anyone else who would like to learn or have a re-fresher)

It's time to renew our CPR & AED certifications! Please save the date of Saturday, October 7, 2023 from 8:30am to 1:00pm for this essential class taught once again by paramedic Rob Pryce. Space is limited to twelve attendees so contact Ann Walker @ 714-496-0571 to reserve your spot in the class.

FCN MEETING

On August 9, 2023 Trinity was host to Hoag's monthly Faith Community Nurse meeting. O'Connor Mortuary provided a delicious luncheon, and the guest speaker was the always dynamic Dr. William Hoy, who spoke on the Contemporary Understanding of Grief. Fr. Steve was able to attend and reconnected with a nurse he knew from Messiah Episcopal Church in Santa Ana. What a small world!

BOOK CLUB

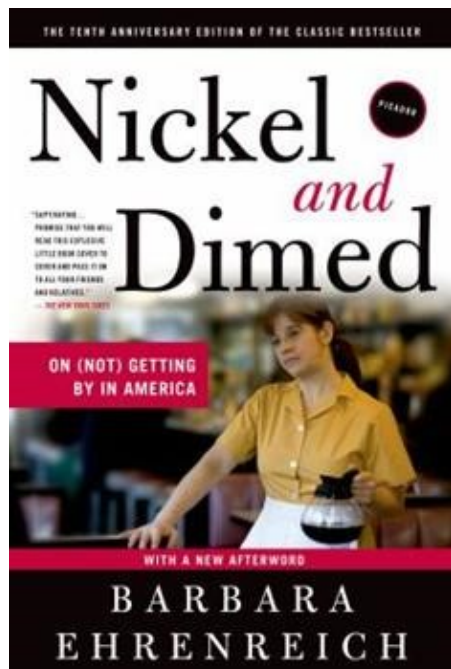

The Book Club will be meeting on **Saturday September 9th**. The club meets in the Parish Library from 9:30am - 11:00am. Come join everyone for a truly enjoyable morning and some lively literary discussions.

This month's featured book is
NICKEL AND DIMED by Barbara Ehrenreich.

Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour?

To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," and that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you intend to live indoors.

YOUTH MINISTRY

Every Sunday afternoon from 4 to 5:30PM, friends are bringing friends to Youth Group. We hang out, play games, have snacks, and put our faith into practice as we build our friendships. We focus on Jesus' example of how to live and love God, ourselves and our neighbors. All middle school and high school students are invited to join in the fun. If you have any questions, please contact Alex Long.
